

## *We Appreciate You!*

---

Earn a \$5 dine-in Rustic gift card for each week that you order 5 lunches.

---

### *How do I set up an Account?*

Follow steps below and when the *Come Here Often?* window pops up, click on *Connect with Facebook* to save your contact information, payment information and past orders for easy reordering. To enter your information for future orders, click on your name on the upper left of the page next to your FB profile pic. On that drop down menu you can access past orders to reorder, add your payment information, edit/add your address and contact information.

### *Can I checkout without setting up an Account?*

Yes. Follow the steps below, but simply do not click through on the *Come Here Often?* pop up window. You can check the *Save these details for the next order* box if you would like to save your contact information for your next order. This option will not save your payment information.

### *How do I order lunches for multiple dates at once?*

Follow steps below and in the *Special Request* section for each item add the date (MM/DD) that you would like that lunch to be served on. You can order up to 30 days' worth of lunches in advance.
